#### § 243.4 Stay of deportation.

Any request of an alien under a final administrative order of deportation for a stay of deportation, except a request for withholding of deportation pursuant to section 243(h) of the Act, shall be filed on Form I-246 with the district director having jurisdiction over the place where the alien is at the time of filing. The district director, in his discretion, may grant a stay of deportation for such time and under such conditions as he may deem appropriate. Written notice of the disposition of the alien's request shall be served upon him and any notice of denial shall include specific reasons therefor; however, neither the making of the request nor the failure to receive notice of disposition of the request shall relieve the alien from strict compliance with any outstanding notice to surrender for deportation. Denial by the district director of a request for a stay is not appealable but such denial shall not preclude the Board from granting a stay in connection with a motion to reopen or a motion to reconsider as provided in part 3 of this chapter, nor such denial preclude the special inquiry officer, in his discretion, from granting a stay in connection with, and pending his determination of, a motion to reopen or a motion to reconsider a case falling within his jurisdiction pursuant to § 242.22 of this chapter, and also pending an appeal from such determination.

#### § 243.6 Notice to transportation line.

When a transportation line is responsible for the expenses of an alien's deportation, notification shall be made to such line on Form I-284, when applicable, and Form I-288. If special care and attention is required, notification to this effect shall be placed on Form I-288.

#### § 243.7 Special care and attention for aliens.

When a transportation line is responsible for the expenses of an alien's deportation, the alien shall be delivered to the master, commanding officer, or the officer in charge of the vessel or aircraft on which the alien will be deported, who shall be given Forms I-287, I-287A, and I-287B. The reverse of Form I-287A shall be signed by the officer of the vessel or aircraft to whom the alien has been delivered and immediately returned to the immigration officer effecting delivery. Form I-287B shall be retained by the receiving officer and subsequently filled out by the agents or persons therein designated and returned by mail to the district director named on the form. The transportation line shall at its own expense forward the alien from the foreign port of disembarkation to the final destination specified on Form I-287. The special care and attention shall be continued to such final destination, except when the foreign public officers decline to allow such attendant to proceed and themselves take charge of the alien, in which case this fact shall be recorded by the transportation line on the reverse of Form I-287B. If the transportation line fails, refuses, or neglects to provide the necessary special care and attention or comply with the directions of Form I-287, the district director shall thereafter and without notice employ suitable persons, at the expense of the transportation line, and effect such deportation.
